

# GRID PANEL & LEG ASSEMBLY

## Parts

T-legs x 2

Levelers x 4

Bolts x 6

Washers x 6

Nuts x 6

Panel  
(Sold Separately)

Insert grid leg bolts through grid panel sides. (Grid panel has double wires on vertical sides, grid leg bolts fit between these wires.)

\*It is easier to set up your legs and panel if you lay the panel on the floor (watch video).

\*If after setup, the panel is not leveled, adjust levelers to align panel to floor.
